

consigning at Wear & Share Sport

Thanks for your interest in consigning at Wear & Share Sport. We sell top brand children and adult apparel, sports equipment and gear in great condition. We hand-select items based on condition and season and what will make you the most money. We're always willing to support our growing community of consignors in the Chicagoland area, so consigning with us is easy: You bring us your best stuff, let us do the rest and you get 40% of the sale. Recycling has never been this easy!

Please follow these guidelines to help us make your appointment run smoothly:

1. Make an appointment by calling 630.765.7411.

Please call during shop hours to schedule an appointment or visit us to book. Please mention any large item intended to consign prior to appointment. Most appointments take 20 minutes or less. We make appointments Monday thru Friday from 10am – 4pm and Saturdays from 10am – noon.

2. Paper-bag Dropoff. If you are an existing consignor and prefer not to wait, you may drop off ONE paper bag with your first and last name clearly marked on the outside. We expect the contents to be saleable and follow shop guidelines. We reserve the right to donate any item later found to be flawed or missing parts.

3. Inspect your items carefully before you arrive. We accept children and adult apparel. Shoes of all sizes. Shoes should be clean and free of dirt and debris. Clothing must be free from stains, fading, rips, tears, holes, etc. Bring in your items freshly laundered and neatly folded in up to two boxes or laundry baskets (NO hangers or plastic bags of any kind). Keep in mind that you wait for us to inspect. Please do not overload your container(s). Bring us your best items. We do not accept items with excessive wear and fading, stains, missing buttons, or broken zippers. Gear and equipment must be wiped down and clean. Batteries must be included, if applicable. Equipment must be manufactured within 5 years. Items must include all pieces. Please count before appointment. If a defect is discovered after initial inspection – the shop will automatically donate to charity.

4. Leave the pricing to us. Our goal is to present your items in the best, most organized possible way to make you successful as a consignor. So we price everything based on brand, style, and condition. You receive 40% of the selling price. We do not charge any fees to consign with us.

5. Sit back and let your items sell. Wear & Share Sport sells your items for 90 days. After 90 days consignors have the right to pick up any item(s) that remain unsold. It is the consignor responsibility to contact the shop. Consignor has a 7-day grace period. Abandoned items are donated to charity. If you do not want to have any item returned – do nothing. Wear & Share Sport will donate to charity.

6. Get paid. Consignors have the capability to view and track their progress online. Feel free to call us any time to check on your account. We recommend you wait at least 15 days after your appointment to give your items a chance to sell. We pay by check when accounts reach \$20 or at the end of a consignment period. Consignors may also use their earnings as cash in the shop.
